Instead, try reading our list of 50 amazing facts to stoke your curiosity. 19 / 51 rd.com “Accept—then act. Whatever the present moment contains, accept it as if you had chosen it. Always work with it, not against it. Make it your friend and ally, not your enemy. This will miraculously transform your whole life.” Read Now Eckhart Tolle’s The Power of Now builds off a simple thesis: that the present moment is the only time you ever have to change your life. For even more inspiration, read up on the most powerful quotes about life. 20 / 51 rd.com “What’s the point of having a voice if you’re gonna be silent in those moments you shouldn’t be?” Read Now This powerful quote from Angie Thomas’s 2017 young adult novel The Hate U Give stresses the importance of speaking up in the face of oppression. If you’d like to do more of that, here’s what it means to be an ally in the movement toward equality. 21 / 51 rd.com “You start to think of contempt as a virus. Infecting individuals first, but spreading rapidly through families, communities, peoples, power structures, nations. Less flashy than hate. More deadly.” Read Now According to Merriam-Webster, contempt is “the act of despising” or the “lack of respect or reverence for something.” This book quote rings incredibly true. 22 / 51 rd.com “There is no greater threat to the critics and cynics and fearmongers than those of us who are willing to fall because we have learned how to rise.” Read Now Researcher Brené Brown’s TED Talk on vulnerability has gone viral in recent years—and her book, Rising Strong, includes just as many quotable moments as her talk. 23 / 51 rd.com “It’s the possibility of having a dream come true that makes life interesting.” Read Now The Alchemist is a classic for a reason: it contains valuable takeaways and life lessons for readers of all ages and generations. 24 / 51 rd.com “People think a soul mate is your perfect fit, and that’s what everyone wants. But a true soul mate is a mirror, the person who shows you everything that is holding you back, the person who brings you to your own attention so you can change your life.” Read Now Elizabeth Gilbert’s memoir is a book-club favorite that chronicles her travels through Italy, India, and Indonesia. 25 / 51 rd.com “As he read, I fell in love the way you fall asleep: slowly, and then all at once.” Read Now The Fault in Our Stars captivated thousands of young readers when it was released in 2012, and again when it was made into a film in 2014. These are more of our favorite quotes from young adult books. 26 / 51 rd.com “I don’t believe in closure. What does it really mean? Does it mean the closing of a door, the locking up of memories, the refusal to allow a flow of consciousness that may involve some measure of grief?” Read Now In her memoir On My Own, public radio talk show host Diane Rehm discusses her husband’s death—and how challenging it is to rebuild her life after he’s gone. 27 / 51 rd.com “We accept the love we think we deserve.” Read Now Just because The Perks of Being a Wallflower is a young-adult novel doesn’t mean older adults can’t find comfort in its words. In fact, we consider this one-liner one of the best quotes about falling in love. 28 / 51 rd.com “Beautiful people spend time discovering what their idea of beauty on this earth is. They know themselves well enough to know what they love, and they love themselves enough to fill up with a little of their particular kind of beauty each day.” Read Now Glennon Doyle’s definition of beauty flips every previous definition on its head. Instead of focusing on the idea of superficial beauty, she focuses on the idea of inner beauty. Love literature? Check out these book puns—they’ll have you tickled ink. 29 / 51 rd.com “There is no greater agony than bearing an untold story inside you.” Read Now In her memoir, I Know Why the Caged Bird Sings, Maya Angelou chronicles growing up in the South in the 1930s. It’s a story about overcoming discrimination, poverty, and countless other obstacles, and still finding hope and freedom in the end. 30 / 51 rd.com “You never really understand a person until you consider things from his point of view...Until you climb inside of his skin and walk around in it.” Read Now You’ve probably read this famous, award-winning novel once (or several times!). If you want to learn more about it, don’t miss these 19 facts about Harper Lee and To Kill a Mockingbird. 31 / 51 rd.com “It cannot be doubted that each of us can only see part of the picture. The doctor sees one, the patient another, the engineer a third, the economist a fourth, the pearl diver a fifth, the alcoholic a sixth, the cable guy a seventh, the sheep farmer an eighth, the Indian beggar a ninth, the pastor a tenth. Human knowledge is never contained in one person. It grows from the relationships we create between each other and the world, and still, it is never complete.” Read Now In his memoir When Breath Becomes Air, Paul Kalanithi tells the story of his life as a neurosurgeon—and his battle with lung cancer. The book—which was published posthumously—includes some incredible takeaways about both life and death. Check out more of the best quotes from famous people you certainly won’t forget. 32 / 51 rd.com “Human beings need loyalty. It does not necessarily produce happiness, and can even be painful, but we all require devotion to something more than ourselves for our lives to be enduring. Without it, we have only our desires to guide us, and they are fleeting, capricious, and insatiable.” Read Now Another book penned by an accomplished surgeon, Being Mortal details author Atul Gawande’s ideas about end-of-life and hospice care. 33 / 51 rd.com “Grown-ups never understand anything by themselves, and it is tiresome for children to be always and forever explaining things to them.” Read Now You’re never too old to revisit your favorite children’s books. Not the sure best ones to re-read? These are the 25 best children’s books ever written. 34 / 51 rd.com “When you make loving others the story of your life, there’s never a final chapter, because the legacy continues. You lend your light to one person, and he or she shines it on another and another and another.” Read Now Each chapter in this book is a different essay by Oprah Winfrey about the things she knows to be true. 35 / 51 rd.com “Wherever you fly, you’ll be best of the best. Wherever you go, you will top all the rest. Except when you don’t. Because, sometimes, you won’t. I’m sorry to say so but, sadly, it’s true that Bang-ups and Hang-ups can happen to you.” Read Now Sure, it’s technically a children’s book. But Oh! The Places You’ll Go has a ton of quotes that will ring true for readers of all ages. 36 / 51 rd.com “It had nothing to do with gear or footwear or the backpacking fads or philosophies of any particular era or even with getting from point A to point B. It had to do with how it felt to be in the wild. With what it was like to walk for miles with no reason other than to witness the accumulation of trees and meadows, mountains and deserts, streams and rocks, rivers and grasses, sunrises and sunsets. The experience was powerful and fundamental. It seemed to me that it had always felt like this to be a human in the wild, and as long as the wild existed it would always feel this way.” Read Now Cheryl Strayed’s Wild tells the story of her 1,100-mile hike along the Pacific Crest Trail. Unsurprisingly, the book is full of striking insights about the natural world and what it means to be away from everything you know. 37 / 51 rd.com “Open your eyes and see what you can with them before they close forever.” Read Now In 2015, All the Light We Cannot See, a novel set during World War II, won the Pulitzer Prize for fiction. 38 / 51 rd.com “I was told love should be unconditional. That’s the rule, everyone says so. But if love has no boundaries, no limits, no conditions, why should anyone try to do the right thing ever? If I know I am loved no matter what, where is the challenge?” Read Now Look no further than Cone Girl if you’re dying to read an intense psychological thriller that addresses the complexities of marriage...and murder. 39 / 51 rd.com “Nothing in life is as important as you think it is, while you are thinking about it.” Read Now Nobel Prize winner Daniel Kahneman’s Thinking, Fast and Slow explores the science behind why we make the decisions we do and why we have the thought processes we have. 40 / 51 rd.com “The ultimate failure of the United States will probably not derive from the problems we see or the conflicts we wage. It will more likely derive from our uncompromising belief in the things we consider unimpeachable and idealized and beautiful. Because every strength is a weakness if given enough time.” Read Now In his book But What If We’re Wrong, Chuck Klosterman asks —and attempts to answer—several thought-provoking questions about the world that will make you think outside the box. 41 / 51 rd.com “Autonomy, complexity, and a connection between effort and reward—are, most people will agree, the three qualities that work has to have if it is to be satisfying.” Read Now We all strive to have careers that make us feel happy and fulfilled. For more ways to find your purpose at the office, read these 8 surprising secrets that’ll help you be happier at work. 42 / 51 rd.com “It’s only after we’ve lost everything that we’re free to do anything.” Read Now This book quote focuses on the silver lining of losing it all. Going through a rough patch yourself? Start your day with these 50 inspirational quotes for mornings. 43 / 51 rd.com “People are less quick to applaud you as you grow older. Life starts out with everyone clapping when you take a poo and goes downhill from there.” Read Now We’ve all had those days where we just want a round of applause for making the bed or walking the dog. 44 / 51 rd.com “You only have to forgive once. To resent, you have to do it all day, every day.” Read Now Sometimes, it’s easier to let go than to hold on to the things that are making you unhappy. For more on the wisdom of letting go, don’t miss these 18 important forgiveness quotes. 45 / 51 rd.com “I haven’t the slightest idea how to change people, but still I keep a long list of prospective candidates just in case I should ever figure it out.” Read Now If David Sedaris wrote it, then you know it’s going to be funny. For more silliness, these are the 49 funniest one-liners on the internet. 47 / 51 rd.com “Recovering from suffering is not like recovering from a disease. Many people don’t come out healed; they come out different.” Read Now In his book, The Road to Character, New York Times columnist David Brooks discusses how all of our experiences—including our painful ones—ultimately build our character. 48 / 51 rd.com “I would not have you descend into your own dream. I would have you be a conscious citizen of this terrible and beautiful world.” Read Now Ta-Nehisi Coates’ Between the World and Me won the 2015 National Book Award for non-fiction—and for good reason. The book is packed cover to cover with inspiring and insightful words. 49 / 51 rd.com “Anger and embarrassment are often neighbors.” Read Now Amy Poehler has a knack for making funny quips that are also universal truths. For more required reading for comedy fans, these are the 37 funniest books ever written. 50 / 51 rd.com “I like large parties. They’re so intimate. At small parties, there isn’t any privacy.” Read Now This famous quote about the joy of big parties is just one of the many reasons The Great Gatsby has gone down as one of the best books in literary history. 51 / 51 rd.com “They say you really appreciate a garden only once you reach a certain age ... There seems to be something miraculous about seeing the relentless optimism of new growth after the bleakness of winter, a kind of joy in the difference every year.” Read Now The best book quotes are the ones that can take a small topic—something like a garden—and give it greater significance.
